

To get up and running quickly, please follow the steps outlined below.

Send your first email

Choose one of these common ways to send email. You can always explore the other options later.

A screenshot of the SendGrid 'Integrate' page. At the top, there is a light blue circle containing a code icon. Below it, the heading 'Integrate using our Web API or SMTP Relay' is displayed in a large, bold, dark font. Underneath the heading, the text 'Easily send API-driven email from your application.' is shown in a smaller, regular font. At the bottom of the section, there is a prominent blue button with the word 'Start' in white text.

This is a screenshot of the Mailchimp website's 'Build and send using Marketing Campaigns' section. At the top, there is a blue circular icon containing a white megaphone. Below this icon, the heading 'Build and send using Marketing Campaigns' is displayed in a bold, dark blue font. Underneath the heading, a line of text reads 'Build engaging email marketing campaigns that deliver results.' At the bottom of this section, there is a prominent blue rectangular button with the word 'Start' written in white text.
